

GORING C.E. PRIMARY SCHOOL

SCHOOL UNIFORM POLICY

Policy reviewed and agreed by the Headteacher on: 17 September 2018

Signed Chair of Governing Body

Review Date ...September 2020

1. Introduction

At Goring Primary School we believe that wearing school uniform supports effective teaching and learning. It is our policy that all children wear school uniform when attending school and when representing the school in an organised event.

The school follows the guidance from the Department for Education on school uniform.

2. Role of Parents

We ask all parents of pupils at our school to support the school uniform policy. We believe that the majority of parents want their children to adhere to the school policy. Parents should therefore ensure that their child has the correct uniform and that it is clearly named, clean and in good repair.

3. Uniform Details

A complete list of school uniform requirements is given below. The list can also be found in the School Prospectus (available from the School Office or online at www.goring.oxon.sch.uk). Any amendments to the uniform requirements will be incorporated into the school prospectus.

All items of school uniform can be reasonably purchased from high street retailers / supermarkets, except for school 'branded' items (sweatshirts / cardigans and fleeces) which are available to order from the school office.

4. Jewellery

On health and safety grounds we do not allow children to wear jewellery in our school. The only exceptions to this are earring studs (only gold or silver) in pierced ears, a discreet watch, and small objects of religious significance such as a crucifix on a chain. We ask the children to remove these objects during PE and games. In addition, hair decorations, especially alice bands, should be simple and practical, preferably navy blue. Long hair should be worn away from the face and should not impede the child's vision.

5. Footwear

The school wants all children to grow into healthy adults. We believe that it is dangerous for children to wear shoes in school with platform soles, high heels, or sling-backs, so we do not allow this. It is also dangerous for children to wear shoes that are open-toed. These are not allowed to be worn in school either. Trainers (of any style or colour) are not part of our school uniform, and should not be worn other than when pupils are participating in organised sports or games lessons.

6. Enforcement of Policy

Class teachers will inform pupils who are not in correct school uniform of this in order to understand whether there are any underlying reasons. Pupils who persistently breach the uniform policy will be referred to the Headteacher, who will involve the child's parent(s). In all cases the aim is to rectify the situation at the earliest opportunity, not to punish a child unnecessarily.

7. Role of Governors

The governors' role is to ensure the uniform is appropriate and that it is implemented across the school. It will consider any representations from parents regarding the uniform policy and will seek to ensure that the policy is implemented fairly and with sensitivity. This includes due regard to equal opportunities and human rights issues.

The governors will respect variations to school uniform if they are directly related to established religious traditions. However, any variation will be dealt with on an individual basis and judgements will remain at the discretion of the governing body and the Headteacher.

8. Changes to the Policy

Changes to the school uniform policy will be made by the Headteacher in consultation with the governing body. Parents will be given at least a full term's notice of any changes in the policy or additional items of uniform required.
